

RETURNING PRODUCTS (V1 - ENG)

1. Fill out the form "[Problem with your order or purchase](#)" on our website
2. Wait until we ask you to return the product to us.
3. Prepare the product for transport:
 - Preferably you use the original packaging material.
 - Products that were received less than 14 days ago should be returned in their original state.*
 - Fill out the address label below and cut it along the dotted lines.
 - Attach the address label to your package.
4. Bring your package to a postal service point.

* Original state implies that you must have treated the product as if you visited a real shop. If that has not been the case, you might lose your right of reimbursement or of receiving a replacement product.
